# MAGIC

## TOILET TISSUE RENOVA MAGIC

### SPECIAL FEATURES

- ✓ The 1st generation of tissue papers based on a new technology: **4DPAPER**.  
Four-dimensional paper: fibers have the ability to keep memory of a textured material, becoming a structured tissue paper. A shape memory tissue that is **light**, **flexible** and **soft**, but **strong enough**
- ✓ Produced with structured tissue NTT technology which uses **50% less energy** per gram of paper than conventional alternative structured technology (TAD)
